Hi Cairo,

To All:

The CARE C10 Team removed health hazards and trash and debris from the public right-of-way in around South Berendo Street. Also, ensured occupants meet ADA per 56.11

Hello Deputy Rodriguez,

Thank you for returning my call, it was a pleasure to speak with you this evening. I appreciate you explaining the homeless situation and issues Los Angeles, and especially District 10 is facing.

Per our conversation, attached are photographs that were taken of the homeless encampment(s) across the street from as well as adjacent to my apartment.

I speak on behalf of my Berendo/6th Street neighbors that we look forward to seeing essential services extended to those who are unsheltered, such as health and human services, and housing for those in the encampment. In addition, we look forward to the sanitation department fulfilling our requests for the removal of bulky items, refuse, and sanitizing the sidewalks.

Thank you for passing my number to Officer Eric M, we had an in-depth conversation about the situation on Berendo Street and he provided a few tips as well as his direct contact information.

Once again, I appreciate you and what Councilmember Wesson is doing to solve these issues. Please do not hesitate to reach out to me with additional questions.

All the best,
Stacey
